

Capital Region Advocacy Network for Environmental Sustainability (CRANES)

DRAFT v04FEB2010

Organizational Partner Document

By the signature of our representative below, our organization agrees to become a CRANES Organizational Partner through 2011, endorsing the attached Proposal as the framework for going forward together during the first phase of the partnership.

By the decision of our organization's leadership (e.g., board of directors), and on behalf of our members, our organization is committed to participating with other CRANES partners in a CRANES Organizational Assembly later this year, communicating about scheduling and planning as needed for the event's success.

Our organization also tentatively commits to working with other CRANES Partners following the Assembly, as decided by consensus during that event, making a formal and final decision to commit within 30 days following the Assembly.
